### Reporting BACK to You on OUR work in OUR Community!

Published and Promoted by Cllr. Fran Oborski MBE for and on Behalf of Cllr. Shazu Miah, Cllr Fran Oborski MBE and Nigel Grace all of 6, Osborne Close, DY10 3YY and Printed by G10 Design and Print, Highgate Birmingham.

#### Save St. George's Park Paddling Pool.

We are absolutely delighted that Fran has been unanimously chosen as the new Chair of the cross Party Steering Group for the Paddling Pool Campaign. Shazu, Nigel and Fran are all active Campaign Members!

#### Keats Place Fencing

Community Housing tenants living in flats at the top of Keats Place have complained to the Liberal Democrat Team about the fencing between their flats and the Offmore Lane Allotments.

We have asked Community Housing to get the fencing repaired. It has been damaged for far too long!

#### Trinity Fields School Parking

Following many complaints from residents about parents taking children to Holy Trinity the LibDem Team has: Written to the Head Teacher asking that parents be requested not to park on

these double yellow lines and asked WFDC to get its Civil

Enforcement Officers out there to "ticket" offenders.

#### Untaxed and uninsured vehicles parked in George St.

Nigel, Shazu and Fran are grateful to the "eagle-eyed" local resident who realised that there were two white vans parked on George St. one of which had no MOT and the other was an Untaxed Vehicle subject to a SORN Notice.

Your LibDem Team has reported these vehicles to Wyre Forest DC who will take action.

Please do NOT park untaxed, uninsured vehicles on the highway, they may be seized

#### Borrington Rd and Dunclent Cres flats.

Nigel, Shazu and Fran are delighted that Community Housing has decided that it is impossible to bring these 1950s flats up to modern Fire Risk Standards.

Flats will not be relet as they become vacant and, within

the next three years or so they will be demolished and replaced with houses and, hopefully some bungalows!

#### Kipling Walk Garages

Nigel, Shazu and Fran have asked Community Housing to either repair these unsightly garages and bring them back into use OR demolish them and lay the site out for

parking!

**VOTE Liberal Democrat, Nigel, Shazu and Fran on May 2nd!**

**Tackling another "Drug House" on Comberton**

Your Liberal Democrat Team: Nigel Grace, Shazu Miah and Fran Oborski are pleased that, thanks to some very brave and very community minded local residents, evidence has been presented to the Police and to Community Housing about the use of a house in the heart of the estate for drug dealing.

We are delighted that action is being taken against the tenants of this property.

Anyone who is evicted because of drug dealing will be treated as being "Intentionally Homeless and will not be entitled to be rehoused!

**Dangerous tree removed**

A neighbour came to our Cllrs Advice

Shop to report that This tree, in the garden of 2-4 Biset Avenue appeared to be dying.

We reported it to Community Housing and, within 72 hours they had inspected it and cut it down because it was dangerous.

Let us know if you find dangerous trees!

**Liberal Democrats call for 20mph zones.**

**20 MPH**

We believe that "20's Plenty" to keep children safe, near schools and on estates.

**Over 4,000 children in Wyre Forest are living in Poverty!**

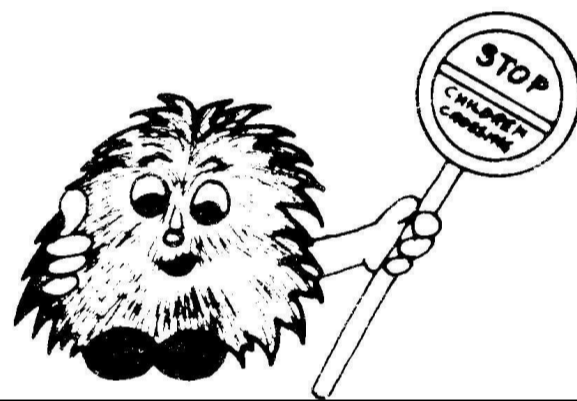

This is one of the richest countries in the world yet, here in Wyre Forest over 4,000 children are living in poverty.

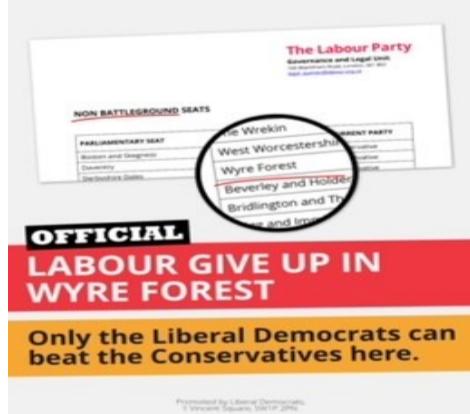

Many of these children are in families where parents are in work on very low incomes. Many of them do not qualify for Free School Meals!

Your Liberal Democrat Team believe that we MUST

"Boot the Tories Out" starting with the Kidderminster Town Council and Police and Crime Commissioner Elections on May 2nd!

Meanwhile under the Tories sewage pollution in the River Severn is INCREASING!

**Remember, Labour have already given up on this area! If YOU don't want a Conservative Town Council, the choice is clear! VOTE Liberal Democrat on May 2nd! VOTE Nigel Grace, Shazu Miah and Fran Oborski!**
